

PRAYER and PRAISE POINTERS

FBH International

August 2019

For the month of August, we invite you to join us in praying for the overall ministry of FBH International. Our focus throughout the summer is to pray for God's provision for the ministry, which will allow us to continue to reach people around the world with the good news of Jesus Christ, and encourage believers everywhere with the truth of God's Word. This month, we pray specifically for FEBC Ukraine, Fish Studios our Spanish language mission, and HopeStreamRadio.

FEBC Ukraine husband and wife team Alex and Nadia Pastushak present the FBH program in Ukraine, a country that has been plagued by war for several years. Even now, reports are surfacing of a large-scale military campaign being staged by Russia in the region, while Ukraine is in a time of transition with their newly elected President. Through all of this, Alex and Nadia continue to be very effective at reaching and communicating with people of all generations, helping them navigate through the grief, despair, and uncertainty of the current state of affairs in Ukraine, by pointing people to the hope available in Jesus Christ

Fish Studios "Clasificacion A" is produced in Mexico City by Nathan Diaz for FBH International. The program is presented in Spanish and broadcast on traditional and internet radio throughout South and Central America, as well as in Spain, and parts of the southern U.S.A. Much of Nathan's work is biblical exposition and most of the responses to the program are from Christians expressing their gratitude for his solid biblical teaching and the foundation he provides for their faith as he opens the Word of God on his programs.

HopeStreamRadio – FBH International's English language mission is currently listened to in over 30 countries worldwide through our internet radio. HopeStreamRadio has 27 active volunteer content producers providing material for our daily schedule, as well as a number of programs produced in house by FBH International. This month, the HSR team is busy working on putting together the fall lineup, which will feature many new programs and producers. We are also working on different strategies to expand the reach and accessibility of ministry.

"I have learned so much about forgiveness and now I need to apply it because this incident has happened in my family and I have to face my big brother and talk to him about forgiveness. My prayer is Lord Jesus please give me wisdom in the name of Jesus." - Xolelwa, HSR Listener in Africa
