

PRAYER and PRAISE POINTERS

FBH International

September 2019

Sunday — FBH International – Please pray for our annual FBH Conference. This year our special guest is Firaz, one of our Arab World Media correspondents. Firaz will be sharing first-hand accounts of what the Lord is doing throughout the Arab World. The conference will be held on Saturday October 26 in Oakville, Ontario, and we will also be hosting events in London, Markham, and the Niagara Region over the same weekend. Details will be available on our website.

Monday — Fish Studios – In Mexico City, Nathan Diaz has the challenge of producing the FBH programs, while being a teacher and leader in his local assembly. He has requested prayer for two issues among his church family, both of which involve addiction, and the impact that is having on the children in these homes. At the same time, he is preparing for a large annual conference that will be held in September, and will be dealing with some very sensitive issues in Christianity.

Tuesday — FEBC Russia – Russia is currently leading the world in teen suicides, and producer of FBH programs, Andrey, has been one of the main initiators of several projects designed to deal with the issue. Dozens of young people have decided to continue living because of his programs, and not only that, but many of them are now also living with Jesus as their Savior. Please pray that many more lives will be saved through this ministry, both now and for eternity.

Wednesday — HopeStreamRadio – It is a time of change at HopeStreamRadio, as several of our long-time producers are moving on to different things, or taking a break from producing new programs for us. We are thankful for their willingness to minister to our listeners over the years. Now, as we look to the future, we are seeking those who will volunteer to take their place, that the truth of God's word and its impact on lives worldwide will continue to be shared.

Thursday — Arab World Media – Nadia, a young Muslim woman from Malaysia, recently contacted our response team by phone wanting to learn about Jesus. She doesn't speak Arabic and hadn't been to the AWM website, but somehow got the phone number and amazingly, was connected to Adel, who was able to speak with her in English. Adel was able to direct her to information in her native Malay language. Join us in praying for Nadia as she continues her search for truth.

Friday — Ministry Worker – This month the board of directors for FBH International will meet to discuss the future of the ministry. The topics being dealt with will include finances, leadership transition, and how to effectively communicate what the Lord is doing through the ministry. Please pray for our board, Crawford, Doug, Herb, Ross, and Viji, and also for our president Ron Hughes, as they seek to know and follow God's will for FBH.

Saturday — FEBC Ukraine – Alex and Nadia's FBH program reaches Odessa, the third largest city in Ukraine. It is a vibrant cultural center for the country, but is also plagued by poverty, criminal activity, and corruption. This is why FEBC has just opened a new studio in the city, which is set to become one of four major studios where Ukrainian Christian leaders will broadcast from daily.
