

PRAYER and PRAISE POINTERS

FBH International

October 2019

Sunday — FBH International – We continue to pray for the annual conference that will be taking place the weekend of October 25 through October 28. Our special guest will be Firaz, from the Middle East who will be providing updates on all that the Lord is doing through the ministry in that part of the world. Each session will also include updates on the work in Russia, Ukraine, Latin America, and our English language mission, as well a report on the financial state of the ministry.

Monday — Fish Studios – Nathan recently received a response from a listener regarding a program he does that is a study of the book of Acts. The listener writes, “The messages have been a blessing and are good for those who want to read and study the Bible word by word. I hope you can do more programs like this in the future with other books.” Please pray for Nathan as he continues this series and others to share the truth of God’s word. “The Spirit Acts” can also be heard in English on HopeStreamRadio

Tuesday — FEBC Russia – Right now, fires are destroying millions of acres of forest across Siberia. From the city of Tomsk, Oleg writes, “This summer, many are thinking about eternity; we are forced to think about the meaning of our lives and about God. I began taking your programs seriously. What if He does exist? What if He really cares about me?”

Saturday — FEBC Ukraine – Dima and Natasha are listeners and volunteer broadcasters for FEBC Ukraine. Dima writes, “FEBC’s broadcasters fill our home all day. When Natasha became a Christian I was still a stubborn unbeliever. Ukrainian men don’t go to church. I had an agreement with Natasha, she will not try to drag me to church, but I will listen to FEBC radio. So, wonderful voices filled my life.

Wednesday — HopeStreamRadio – Our English language mission is currently being listened to in over 40 countries around the world. Included in those are 11 African nations, five of which have predominantly Muslim populations. With such a diverse listening audience, we need to rely on the Lord for wisdom and guidance in the preparation of programming that will be impactful to all who tune in. We pray for the people of these nations as they hear the Word of God being taught.

Thursday — Arab World Media – Last month an urgent prayer request was made for Ahmed, a new believer in North Africa who was kidnapped by his family and left to die in the desert for not rejecting his new faith. We thank God that Ahmed is now safe and free in his nation’s capital city, and has been in contact with our response teams. He has had many nightmares and is in need of healing, both physically and emotionally from the trauma he has suffered. Praise God that through all this Ahmed’s faith remains strong.

Friday — Ministry Worker – Victor Akhterov leads the ministry team for FEBC in Russia and Ukraine, and is our main contact for our partnership with them. Over the past few months, he has been providing care for his sister through her cancer treatments. At the end of September, Victor’s sister went home to be with her Lord. Please pray for Victor and his family during this time of loss.
